

# “Does My Child Need a Physical?”

## Schedule of Well-Child Visits From Birth through College

### Newborn

Age 5-7 days  
Age 2 weeks  
Age 6 weeks  
Age 10 weeks

### Infants

Age 4 months  
Age 6 months  
Age 9 months  
Age 1 year

### Toddlers

Age 15 months  
Age 18 months  
Age 2 years

### Pre-school Children

Age 3 years  
Age 4 years  
Age 5 years (within 6 months prior to the start of kindergarten)

### School Age Children Age 6 –13 years

Annually, preferably shortly after the child’s birthday

### Adolescents Age 14-18 years

Annually. If participating in high school sports an annual physical is required by State law. A physical performed after February 1st is valid for the remainder of the current school year and the entire next school year.

### Pre-College

Age 18 or prior to enrolling in college

**We’ll continue to see older adolescents and young adults through college for illness and well-care as needed.**

**Post-college patients will need to transition to an internal medicine or family practice provider, as will young adult patients not enrolled in school.**
